Individuals who are applying to undertake this assessment must be able to demonstrate that they have been plying their trade as a plumber for a minimum of 5 years by one of the following options:

- Qualification not accepted as a Scheme entry level (dated prior to 2014)
- Office records
- Confirmation from company or personal accountant
- Affiliation of a trade related Association (i.e. CIPHE, APHC or SNIPEF)

* Information with regards to approved schemes' entry level qualifications can be obtained by contacting Gareth Harris at WaterSafe on 01495 237 391: gareth.harris@watersafe.org.uk

Should you have any **medical condition** that may affect the way you carry out the assessment process, please list separately and attach to this application. Tick if applicable

You will have 40 minutes in which to achieve an 80% (16 correct answers from 20 multi-choice questions) pass rate on the 1st (and only) attempt. If you fail the assessment and still requires to attain approval status you will be advised to take a qualification* that is accepted as an entry level to a scheme.

I confirm that the information given is true and accurate:
